INFORMATION GUIDE 2025-27

ABOUT LLOYD BUSINESS SCHOOL & PGDM 5.0

Welcome to Lloyd Business School

Lloyd Business School is where education meets **innovation** and **industry evolution**. With over **21 years of experience**, we are a **premium business school** dedicated to shaping **future leaders** who are globally aware, technologically adept, and ethically grounded. Our approach to education ensures that students not only learn but **lead** in the constantly evolving global business landscape.

PGDM 5.0 – The Future of Management Education

Our **Post Graduate Diploma in Management (PGDM) 5.0** program reflects our commitment to staying at the forefront of business education. The program integrates the latest advancements in technology with the art of management, preparing students for **Industry 5.0**—where the fusion of **humans and technology** is paramount.

WHAT SETS US APART?

Lloyd Business School offers more than just management education; we provide a platform for students to experience the real-world through dual specializations, industry-academic partnerships, and global exposure. Students develop multi-disciplinary expertise, preparing them to tackle complex business challenges

EXPERIENTIAL LEARNING FOR FUTURE LEADERS

We believe in hands-on learning, and our PGDM 5.0 program is filled with opportunities for students to apply their knowledge to real-world situations. From corporate mentorships to industry projects, students gain practical experience that sets them apart in today's competitive job market.

JOIN THE LLOYD REVOLUTION

At Lloyd Business School, we don't just teach management; we cultivate leaders of tomorrow with a global vision and local impact. Our programs are designed to inspire innovation, ethical decision-making, and strategic leadership.

GLOBAL MANAGEMENT EDUCATION

- ✔ **Global Certifications & Partnerships:** From Harvard Business Publishing to IBM and AWS Academy, our students gain internationally recognized certifications that enhance their global competitiveness.
- ✔ **Dual Specializations for Holistic Learning:** Our unique two-major system ensures that students graduate with a broad skill set, enabling them to thrive in multiple disciplines.
- ✔ **International Exposure:** Whether through global immersion programs, international faculty, or global internships, we ensure our students have the tools to succeed on a global scale.
